

For the first time in Robson Ranch softball history, our community will be represented by four (4) teams in the SSUSA Texas State Championship tournament next week (April 30th thru May 5th). Teams are organized by player age and Robson has 60+, 65+, 70+, and 75+ teams.

It is highly probable this is the first time any single community has entered four softball teams in the same softball tournament. If you like watching Robson softball, then for 6 straight days starting next Tuesday there will be 20+ games you could watch. The players love having fans in the stands.

The tournament will be played at the Oak Grove Softball complex located at 2700 Dove Loop Road, Grapevine, TX ([click here for Google Map](#)). Below is a schedule. Note that the exact date and time of Championship Bracket games will vary based on wins and losses in previous games.
