

Flint Plus (+) Team /Perfect Game Tournament Team Rules and Guidelines

The following is a list of rules and guidelines outlining the selection, participation, and involvement of the Flint Plus teams participation in any Perfect Game Tournaments hosted at Gail Montgomery.

1. Player selection will be determined via a Manager meeting 2 weeks prior to the tournament.
2. Players will be selected using current league statistics, performance, attendance record for both games and practice, attitude, and availability.
3. In the event of a back to back tournament, a manager's meeting will be held the week prior to determine qualifying players.
4. All-star availability does not disqualify you from competing with the PG Team.
5. No guaranteed roster spot just because you were previously selected.
6. There's no guarantee that each age group will play in every tournament
7. There's no guarantee Flint will host a tournament for every age group due to the nature of Perfect Game's facility assignment process. There's also no guarantee all age groups will have an opportunity to play in a tournament.
8. If an opportunity arises, we (the league) will put together a team specifically for that tournament based on the qualifications previously outlined above.
9. There's no entry fee for Flint sanctioned PG teams playing at Flint hosted tournaments.
10. Participating in the Flint PG team does not guarantee Allstar selection.
11. Participation in the Flint PG team is voluntary.

The Decatur Baseball board reserves the right to alter, amend, replace, or remove any of the following rules. These rules may change as more information becomes available throughout the inaugural season.
