

Bleachers

The diagram shows two indoor courts, labeled 'Indoor Court 1' and 'Indoor Court 2', positioned on either side of a central 'Lobby Doors'. Each court is represented by a blue rectangle containing a white outline of a basketball court, including the key, three-point arc, and center circle. A large white arc above each court represents the bleachers. A central orange circle is connected to the 'Lobby Doors' label by a vertical white line. The background is a solid brown color.
